On Saturday we had our family day. It was a nice sunny day. My Mum and my sister came and we sang our songs. Mark the music man came and sang for us. Some friends of Shaun and Debby came and sang for us. We had a dance outside. It was good fun. We had food humpers.

I had a lovely time at the Family fun day. My mum and my brothers Simon and Crispin came. We sang songs with mark in our Thorndene choir.

We had picnic hampers at lunchtime. Mum bought me a piece of cake from the cake stall. Mum and Simon had a go on the Tombola. We had music with Warren, Brent and a Man playing a piano and singing. I went home with mum for the weekend.

My mum and Lucy came to the fun day. I had a Ploughman's lunch I didn't win anything on the raffle but we played a family quiz and I sang some Abba and the sound of music. We sat on the grass. It was a very hot day.

Gemma and Louise

On Friday we went to a Caravan in Rochester for a night. I went down the club night with Gemma. I won tickets and had a coke. There wasn't a dance floor. There were a lot of people there. I slept in a nice bed, all to myself. It was a nice day. I went to Canterbury On Saturday and we went shopping. I had a coffee and lunch. I saw a lady who works in the office at the vineyard. Her name is Alison and she was with her sisters. Today we have Summer at the pavilion. I am wearing my dress. We have a new lift. It is very nice. It is a lovely day today.

We also went to Hythe to listen to some live music
